### **Prerequisites for this Course**

Students must have a digital or film SLR camera, battery, memory card & off-camera flash. This course is for intermediate students with a good understanding of their camera.

### **Course Description**

This wedding class is for students with little or no experience with Wedding Photography. Contracts, worksheets, and proper protocol will be discussed. A formal bridal portrait will be taken in the studio. A "mock" wedding will be held as well as a wedding reception..

### **Teaching Methods**

This class will be conducted with lecture, demos, and hands-on for each student.

### **Course Outline**

Week 1 Lecture and workbook  
Week 2 Lecture - agreements and copyright laws  
Week 3 Bridal Portrait  
Week 4 "Mock" Wedding  
Week 5 Workflow  
Week 6 Album Design
